

## Iowa State Pheasants Forever Council – Website Partnership

The Iowa State Pheasants Forever Council has partnered with TSM Web Solutions to provide local Pheasant Forever chapters with an easy way to establish and maintain an online website presence. Our partnership will reduce the costs and time required by local chapters to maintain a website.

TSM Web Solutions will provide:

- Subdomain name connected to iowastatepfcouncil.org
- Unlimited website hosting and email addresses
- A registered .com or .org domain name for your chapter
- Customized website with information pertaining to your local chapter
- Synchronized Calendar of Events across all websites
- E-commerce platform to allow secure purchasing of banquet tickets online
- Photo Gallery of all chapter events
- Pages to display the Board, Projects and other information about the local chapter
- Connection to chapter social media websites, such as Facebook and Twitter

### What is the cost to local chapters?

TSM Web Solutions wants to minimize the cost on local chapters so they can utilize their funds to continue habitat improvement, land management, public awareness and education in their communities. All costs below include ongoing content revisions to your website upon request.

#### Initial Signup

1<sup>st</sup> Year: The cost for the first year is slightly increased due to the time involved with setting up the website. This cost includes one year of hosting & support. **\$700.00**
